Subject: TOTEM Contract Negotiations update

Good morning,

As you are aware, we have been in negotiations with the District since last October. Unfortunately, we have been unable to reach agreement on a successor contract. The areas that are still in discussion: salary scale; recognition of P step employees; school calendar; emergency closure; lunch breaks and health benefits.

We attempted mediation in August, which did not move us forward. We are in the process of establishing advisory arbitration dates and will keep you apprised when that is scheduled.

In the interim, the current (expired) contract is still in effect.

Remember to show your support for TOTEM and our negotiators by wearing green on TOTEM Tuesdays!
